

## About the Conference

The 20th Annual LPN conference is designed to address the complexity of particular health problems and concerns that reach across the life span. Presentations will focus on: stroke in women, new information on adolescent HPV, an update on HIV, a discussion on the changing role of the LPN, and managing stress.

NON-PROFIT  
US POSTAGE PAID  
RICHMOND, VA  
PERMIT # 869

## OBJECTIVES

By the end of the conference, participants will be able to:

- Describe advances in healthcare related to women and stroke.
- Verbalize understanding prevention and treatment of adolescent HPV.
- Describe the importance of effectively practicing as an LPN within the Virginia Board of Nursing Standards.
- Verbalize understanding of new information related to prevention and treatment of HIV.
- Utilize stress management technique in self-care.

## Target Audience

This conference has been planned with the special needs of licensed practical nurses and other healthcare providers who work in a variety of settings and desire a clinical update. This is a wonderful opportunity for networking with others from across the Mid-Atlantic region who share the same challenges and issues relative to LPN nursing.
