

## About the Conference

The 21st Annual LPN conference is designed to address the complexity of particular health problems and concerns that reach across the life span.

### OBJECTIVES

By the end of the conference, participants will be able to:

- Identify issues and trends affecting the role of the LPN.
- Apply concepts of relationship-based care to patients, co-workers and self.
- Describe the process of grief and its impact in relationship-based care.
- Discuss the effect of music as a therapeutic intervention.

## Learning To Meet Patient Needs

### November 8, 2010

**Sheraton Park South Hotel**  
990 I Midlothian Turnpike  
Richmond, Virginia 23235  
(804) 323-1144

## Target Audience

This conference has been planned with the special needs of licensed practical nurses and other healthcare providers who work in a variety of settings and desire a clinical update. This is a wonderful opportunity for networking with others from across the Mid-Atlantic region who share the same challenges and issues relative to LPN nursing.
