Parking Facilities

There are parking lots nearby the Alumni House. A copy of the Rider Finders downtown commuter guide is attached, which lists locations and parking rates by the hour and by the day. There is limited metered (2-hour maximum) on-street parking.

The closest privately managed parking facilities are:

- Coliseum Parking Deck, 7th St. across from the Richmond Coliseum, accessible from 7th Street (one way street). This is recommended as it has ample parking space and is closest to the Alumni House.
- Parking lots at Jackson and 7th accessible from 7th or Duval Sts.
- Parking lot at 5th and Marshall Streets, accessible by going to 3rd street and turning right onto Marshall Street.
- Parking deck at 607 E. Marshall Street, accessible from 7th street (one way street)

Please note that parking is NOT available at the Visitor Parking deck, as it is reserved for people visiting patients in the hospital or going to medical appointments.

A map of the area is included, along with a layout of the VCU Health System campus. Allow yourself ample time to park and walk to the Alumni House. It is generally a five-to-ten minute walk from nearby parking decks.
