**"How can you laugh at that?"
A Closer Look at the Use of Nursing Humor**

Speaker: Terry M. Foster, RN, MSN, CCNS, CCRN, CEN

This fun and enlightening talk will focus on the very "different" sense of humor shared by all nurses. Often used as a coping mechanism, this speaker will explain the appropriate uses of our nursing humor. Terry Foster describes some wonderful, humorous, and heartfelt experiences that have occurred throughout his 30+ year career as an RN. Plan to be thoroughly entertained and to feel good about the things we do as nurses! (Note: It may help to empty your bladder fully prior to attending this session).
