What is VCU Gold?

VCU Gold is a benefit for insured employees and their immediate family members. If you are willing to see any participating provider at any time and location, your appointment will be scheduled as follows:

Urgent appointments – within 48 hours

Non-urgent appointments – within 2 weeks

This is for New Patient Appointments with a Specialty Provider.

How do I make an appointment?

Simply call **MCV-DOCS** (628-3627) and choose the appropriate option for the appointment you are requesting:

Option 1: Family Medicine

Option 2: Primary Care

Option 3: Pediatrics

Option 4: All Specialties

Option 5: Patient Advocate

The VCU Gold program is specifically designed to get employees and their immediate family members in to see a specialist quickly when they need that new patient appointment.

We've designed our phone tree so employees have One Number Access to our VCUHS physicians.

MCV-DOCS (628-3627) – the only number you need!
