# VCU Health CMH Occupational Health & Wellness Services

## Healthy Employees

As you know, your employees are the single most important and valuable resource in your organization. Healthier employees are often more productive.

## Why is a healthier workforce better for your company?

- Decreased lost work time
- More productive and motivated employees
- Reduction in health care and worker's compensation costs
- Less injuries

## How can I make my workforce healthier?

VCU Health CMH Occupational Health & Wellness Services offer many services tailored to fit the needs of the businesses in our community.

Our variety of services include:

- Cholestech screening - lipid / glucose
- Pre-employment physicals
- Rapid drug screens—featuring E-Screen
- Lab based drug screens (urine, **hair follicle\***)
- **Pulmonary function testing \***
- Breath alcohol testing
- DOT physicals
- Sports & adult school physicals
- Adult immunizations (Influenza-TDap, HepB
- CPR—adult/child/infant, First-Aid, AED, AHA, and Blood Borne Pathogens
- Lab tests: not limited to: PSA, lipid panel and CBC
- OSHA Hearing Conservation Education and testing by a certified technician using a calibrated booth and audiometer
- Mini health fairs
- Vision screenings
- Smoking cessation counseling
- EKG without interpretation

## RAPID DRUG SCREENS Featuring E-Screen

Providing rapid, paperless drug screening technology with real-time results, electronic transactions and web-based automation.

We are equipped with e-Reader and x-Reader hardware and eScreen123 software. This creates an electronic chain of custody for both automated rapid drug screens and traditional lab based tests up to 10 panel instant DS.

## Good Health Begins with Good Information

The professionals at VCU Health CMH Occupational Health & Wellness Services strive to be responsive to the health needs of the corporate community. We work with companies to develop strong, healthy and safe employees.
