Updates: Week of 10/7/2019

Construction and related utility work at and around the VCU Health Outpatient Facility and Inpatient Children’s Hospital sites will affect traffic patterns for drivers, bicyclists and pedestrians on the MCV Campus for several months. Please take note of the traffic impacts below and plan your travel accordingly so you arrive safely and on time. For updates, visit http://vcuhealth.org/traffic

Sign up for text message alerts to receive updates and urgent information about MCV Campus traffic impacts. To opt-in, text the keyword MCVTRAFFIC to 795-16. NOTE: Subscribing to the MCVTRAFFIC group will auto-enroll users to VCU Alert messages. Replying STOP to 795-16 will automatically unsubscribe users from both MCVTRAFFIC and VCU Alert texts.
