Utility work and construction at and around the VCU Health Outpatient Facility site will affect traffic patterns on the MCV Campus over the next several months. Please take note of the construction activities below and plan your travel through the MCV Campus accordingly so you arrive safely and on time.

**UPDATE: Intersection of 10th and Turpin streets reopens**
- The intersection of 10th and Turpin streets is reopen. Traffic on 10th Street between E. Leigh Street and Duval Street has resumed.

**UPDATE: Relocation of sewer and steam lines**
- The relocation of the sanitary sewer line and steam line will begin this week in the alleyway. Steam line shut down to the Historical Houses to be coordinated for the week of 12/10/18.

**UPDATE: Leigh Street closed for march December 8, 2018**
- A march has been scheduled for December 8, 2018 and will close Leigh Street between 7th and 10th Streets.

**REMINDER: Leigh Street utility work**
- Dominion continues utility work from 9th Street through the 10th Street intersection. Eastbound Leigh Street will be reduced to one lane. To accommodate this change, all traffic will be routed through the turning lane at the intersection of 10th Street. Drivers should be aware of potential delays as cars turning North/South and traveling East will be sharing the same lane.

**REMINDER: 11th and Leigh Street Traffic Control**
- “No Turn on Red” signs have been installed at the intersection of 11th and Leigh streets.

**REMINDER: VCU Health Outpatient Facility construction**
- Excavation and construction has begun on the Outpatient Facility site. The sidewalks on 10th and 11th Streets will be closed to pedestrians throughout the duration of construction. For your safety, please follow the detours in this area.

We recognize these on-going changes to traffic patterns on the MCV Campus will be inconvenient to you. As we continue to implement exciting changes throughout our health system, we thank you in advance for your cooperation and understanding. Together we are designing and building the future of health care.
